MANUFACTURERS CREATE VALUE: MIDDLEMEN ADD COST.

MOST MANUFACTURED GOODS are sold to the consumer at from two to four times the cost of production. This is because the goods pass through many hands: from the factory to the sales agent; from the sales agent to the wholesaler; from the wholesaler to the retailer; from the retailer to the consumer. Each "middleman" adds his expenses, his losses, his profits; all these are piled up in the retail price and must be paid by—YOU!

The Larkin Idea: Save all cost which adds no value—by direct dealing from factory to family.

A LARKIN PREMIUM is the premium given to every direct purchaser of an assortment of the Larkin Soaps and Products to the value of \$10.00 or more. It is the saved profits and expenses of middlemen put into a form for the permanent enjoyment and advantage of Larkin patrons.

A CERTIFICATE PREMIUM is the premium given to an Old Customer as a reward for his services in extending the sale of the Larkin Soaps. It is the saved expenses of manufacturers' salesmen and saved cost of advertising and bookkeeping. In all business, advertising in some form is necessary. The active influence of satisfied customers is the best advertising in the world. So many advertisers are untruthful that some people require the personal assurance of friends that the Larkin Idea means to them actual money-saving and highly satisfactory goods, to induce them to place a first order. Instead of paying large sums to newspapers for advertising, we give Certificate Premiums to our patrons, knowing that in giving them the newspapers' cost, we shall the more certainly extend the sale of the Larkin Soaps by their influential, personal recommendation. You can obtain orders from your friends and neighbors who know you and value your judgment and experience, and you will receive the substantial benefits of our practical co-operative plan.

We employ no agents, and this Premium List is not intended to attract the services of canvassers. Our offers of Certificate Premiums are open only to Old Customers and members of their families, as particularly explained on next page. The premiums given are a

practical reward for a pleasant service and they add to the comfort and attractions of the home. Every premium is just what we represent it, and equals, in every particular, goods sold in stores at retail prices.

THE LARKIN SOAPS have a constituency who extend their fame. They never disappoint, and all their users are our friends.

A DOLLAR A MONTH FOR TEN MONTHS.

THE LARKIN CLUB-OF-TEN is the highest and most popular development of the Larkin Idea. It enables each of ten families, in ten months, easily to obtain \$10.00 worth of Soaps and a Larkin Premium, and secures to the Old-customer organizer, the present-for-cash, and a Certificate Premium for each Cash order.

The organizer acts as the Club's Secretary, and to secure Certificates and the present-for-cash on orders must countersign them. Once each month or oftener, an order is sent us on our order-blank; to establish each Club-member as an Old Customer entitled to secure Certificate Premiums for future orders, it must be signed by the member of the Club who is chosen in advance to secure the Larkin Premium, and this member should pay the freight on the shipment with which he receives his premium.

The Soaps and the payments are equally divided. Every case will be packed as ordered. At the end of ten months, each member will have made the Club ten monthly payments of \$1.00 each, also paid freight charges on one shipment, and will have received \$10.00 worth of Soaps and a Larkin Premium.

OBSERVE OUR RULES.

The rules governing the management of our business are the outgrowth of over a quarter of a century's experience in this business, which is unlike all others. There must be definite rules to govern a business, as there are definite laws to govern a people. Each rule is the result of necessity and experience—not of caprice—and has a solid basis of common sense. Rules are made only to promote and expedite pleasant relations with and for the benefit of our body of patrons as a whole; they must be enforced, to make them fair and just, as all should recognize.

Do not, therefore, vainly protest against our rules, which are just what you would make, were you in our place. You can read all of our instructions on page 2 in five minutes, and by observing them, you will find your future business with us always easy and pleasant.

HOW OLD CUSTOMERS MAY GET CERTIFICATE PREMIUMS

FREE FOR RECOMMENDED ORDERS AND CLUB ORDERS.

CERTIFICATE RULES.

I. CERTIFICATE PREMIUMS are given only for \$10.00 Recommended and Club Orders accompanied by the cash.

II. AN OLD CUSTOMER is the head of a family who has purchased direct from us a \$10.00 assortment of Larkin Soaps and other Products.

III. A NEW CUSTOMER is the head of a family who has never been a direct purchaser from us.

IV. A RECOMMENDED ORDER is a New Customer's order secured by the recommendation of an Old Customer and countersigned by him.

V. A CLUB ORDER is an order countersigned by an Old Customer for Larkin Soaps and other Products, all of which have been sold to ten or more families whose names are given in the order.

EXPLANATORY.

Certificate Premiums are not due to all customers. They are given to Old Customers only.

Not all kinds of orders merit Certificate Premiums. They are given for two kinds only, defined as Recommended and Club Orders.

A Recommended Order must conform to Rules I., II., III. and IV.

A Club Order must conform to Rules I., II. and V.

Any order for Soaps and Products sold to ten or more friends and neighbors is a Club Order, whether purchasers constitute a Club-of-Ten or not.

We supply printed Order-blanks; their use will best insure Certificate Premiums for orders that embody the required service.

GENERAL INFORMATION.

1. THIRTY DAYS' TRIAL. MONEY REFUND-ED. The full price paid, including freight charges, will be promptly and cheerfully refunded to any purchaser who, after thirty days' trial, tells us why he is dissatisfied with our Products or Premiums, and no charge will be made for part used in a reasonable trial.

2. GOODS ARE SHIPPED within two days after receipt of the order. Orders are not acknowledged by mail.

3. WE GUARANTEE THE SAFE ARRIVAL at a regular freight station of everything we ship. We will adjust all breakages and shortages reported within two days after arrival, accompanied by freight bill endorsed by R. R. Agent with statement of damage existing. If R. R. Co. overcharges you, we will promptly refund you amount overcharged upon receipt of freight bill.

4. USE GREAT CARE IN OPENING GOODS. Discretion and forethought are needful in unpacking Premiums. Damage is often done from lack of heedful precaution and because improper tools are used. A box-opener is offered in this Premium List, and its use is recommended.

5. CERTIFICATE PREMIUMS, except when mailed postpaid, are shipped, like all our goods, at the customer's expense; or they can be shipped with purchases, thereby saving transportation charges. Everything is shipped at the lowest possible cost. When mail is cheapest means of delivery, we name amount necessary to cover postage.

6. CERTIFICATES MAY BE ACCUMULATED. Send us your orders as you get them, one, two or three at a time; we will send you a Certificate when a Certificate Premium is due but not selected. When you hold the requisite number for the Premium you wish, you may return them and it will be sent you.

7. ALL ORDERS OF \$20.00 OR MORE may, if preferred, be divided in shipments and payment; the Soaps may be ordered in amounts of not less than \$10.00 worth, and the Larkin Premium will be sent in the last shipment.

8. ALL MEMBERS OF THE HOUSEHOLD of an Old Customer may earn Certificate Premiums for Recommended and Club Orders, but the head of the family must sign all communications. The same full name must be personally signed to all orders and all letters referring to orders, and changes of address must be promptly reported. Please use ink and always write plainly.

9. LETTERS REFERRING TO ORDERS previously sent us must give, correctly, the full name and address of the person to whom the goods were to be sent; without this, we cannot find the transaction upon our books.

10. THIS PREMIUM LIST ABROGATES all offers in previous editions that are changed or discontinued. A new edition is published about four times each year. It is seldom necessary to change an offer, and it would be impracticable to mail a copy of each new edition to each of our millions of patrons, to give notice of the few changes made.

11. ORDERS UNDER \$10.00 LESS ADVANTAGEOUS TO PURCHASERS.

The Present-for-cash is not given with less than a \$10.00 list of Larkin Products. The Certificate Premium is not given for an order of less than \$10.00.

You may select Premiums to value of five Certificates with each \$10.00 order. If one Premium that you wish is offered for less than five Certificates, select enough other Premiums to make up that number, remembering our offer of \$2.00 worth of Larkin Soaps for one Certificate.

PRICE OF A \$10.00 SELECTION, OR MORE, OF LARKIN SOAPS AND OTHER PRODUCTS WITH ANY PREMIUM OR NUMBER OF PREMIUMS, IN A SINGLE SHIPMENT.

As a present for cash with order, fifty cents' worth of Soaps of customer's choice will be added to each \$10.00 list of Soaps and Products.

Sewing Machines.

These high-grade machines can be sold cheap because they are manufactured with greatly improved facilities and are sold without the aid of the proverbial "sewing-machine agent" and with the aid of the Larkin Idea. These identical machines, under the manufacturer's regular trade-mark, are sold by sewing-machine agents at more than double the price we ask for Larkin Products with the Machine as a free premium. Therefore, do not be misled and conclude that because the prices are low, these machines are of inferior quality.

They have all the good features of well-known modern-style machines. They are as noiseless and easy running as best mechanical skill and fine adjustment can produce, are perfect in every respect, and each Machine passes a rigid inspection before leaving the factory.

Made of the very best material; perfect in detail, free from complications and so evenly adjusted that with fair usage they never get out of order.
